

Productsheet PICO 2

PICO 2

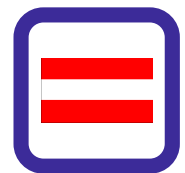

Efficient & Profitable

highly powerful, robust housing, lightweight and profitable this is the new PICO 2

The Pico 2 is an ultra-bright LED, battery powered fixture, which you can easily control with an IR remote controller or wireless DMX

High resolution PWM, you will never see a flicker in the camera

WIRELESS SOLUTION
MADE IN SWEDEN

NEUTRIK

GAGGIONE

Colour	RGBW
Total LED power	30W
Charging time	8 hours
Emittance @ 2m	1610 Lx
Beam Angle	8°
Luminous Flux	980 Lm
Wireless Modul	Wireless Solution
PWM Ratio	32 kHz
Battery	Samsung LiNiMnCoO2
Battery Lifetime	70% after 500 cycles
Battery Runtime	Up to 20 hours
LED Lifetime	50.000Hrs
Input Voltage	5 VDC / 1200 mA
Input Voltage Case	88 ~ 132 VAC (60Hz) / 176 ~ 264 VAC (50Hz)
Housing	Aluminium 4mm
IP Rating	IP 64
Operating temperature	0 - 40°C
Weight	1.83kg
Dimensions (mm)	120 x 120 x 181
